submission form: UK tech awards 2022

We strongly urge you to complete this form to give your nomination the best possible chance of success, so please answer as many questions as possible. If you experience difficulties or need any assistance completing the form we would be delighted to help, so please email jo.thomas@ford-sinclair.co.uk with any hesitations or queries.

The form requests some general information about your business followed by some more specific questions targeted to the nominated award category. You can share this link with other approved parties within your organisation to help fill out the information. You may find it helpful to refer to the full award criteria and eligibility requirements.

Use the 'Save for later' button to save any work in progress. Do not use the 'Submit this form' button until you are satisfied the form is finished and you are ready to submit. **All submission forms must be completed by Thursday 28 July 2022.**

By completing and submitting this submission form, you are consenting to the information therein being shared with our Voting Panel of carefully selected judges. Please see our privacy policy for more information.
