

**tech businesswoman of the year award**

for the period 1 October 2024 to 30 September 2025

**criteria**

The winner of this award will be a strong role model for other women in the industry and inspire the next generation of entrepreneurs, CIOs and CTOs. She might be a leader of a tech company or technology function but plays a key role in championing technology and technological change within business. Her drive, energy and commitment will have been instrumental in developing new technologies or contributing to the company's success.
