

tech investor award

for the period 1 October 2024 to 30 September 2025

criteria

This award recognises an organisation that truly understands tech and has demonstrated an ability to identify new and existing commercial opportunities across the sector. Their commitment and passion for the industry will be underlined by the investment decisions they have made, which will have led to strong commercial and profitable outcomes. They will understand value creation and possess a long-term vision to help businesses grow, and will be able to demonstrate proven results, analytical skills, specialisation and deep understanding of the tech sector. This award is open to every organisation that invests in the sector, be they angel investors, fund management groups, Private Equity, VC, IP commercialisation organisations etc., as long as the organisation is based in the UK and invests primarily in UK tech.

In reviewing the nominations, the Voting Panel will pay due regard to fund return metrics and the number of Unicorns in the portfolio.
